

Please do not let LPFM take priority over current FM translator service. I am concerned about how that would affect my K-LOVE radio station. K-LOVE serves me and others in my community by giving us positive, encouraging music and commentary that one can't find on any other radio station. If it were displaced by an LPFM broadcaster providing other programming, it would be like sunshine taken from my life. Only K-LOVE gives me a lift; I can always count on K-LOVE to make my day a little brighter. The service provided by K-LOVE serves the public interest by helping people feel better about themselves and about life in general. With all of the negativity in our world, K-LOVE helps people feel happier and more positive, and thus, they are better community members.
